

## **AMENDMENTS TO THE SPECIFICATION**

Amendment to the DETAILED DESCRIPTION OF THE PRESENT INVENTION

Please replace the chemical name of line 5 on page 13, and of line 10 on page 33 with the following chemical name:

“N-(4-tert-butylphenyl)-4-(4-pyridinyl)benzamide”

The amended compound is not new matter and is encompassed by the genus as described in the specification on page 3, lines 15-20.
